The Secretary to the Government of Mysore,

SIR,

I have the honour to state that in connection with the recent visit of His Highness the Maharaja of Mysore to the Gold Fields on 17-11-1941, Government in their Order No.L.4223-25/L.B.20-41-12 - dated 21-11-1941 sanctioned an expenditure of Rs.850/-. In spite of all attempts to restrict the expenditure to the sanctioned amount it was found that the expenditure could not be kept within the - sanctioned amount, owing to sudden break of squally weather on a few days immediately previous to the date of visit of His Highness the Maharaja, the arrangements had to be pushed through only at the - latter part of the period. Further getting buntings etc., and - printing the address had to be done expeditiously as the notice was very short. This is the very first visit of His Highness the Maha- raja to K.G.F. and the arrangements had to be done befitting the occasion. The expenditure has therefore unavoidably gone up to - Rs.1,397-1-0

The expenditure statement was placed before the Board at the meeting held on 19/12/1941. The Board opined that the expenditure is not too much in consideration of the unique occasion and have sanctioned the addition grant of Rs.550/- . A copy of the Board's resolution is enclosed and I request that you will kindly obtain

SIR,

With reference to your letter No.L.6027 dated the 13th instant calling for details of the expenditure incurred for the visit of His Highness the Maharaja of Mysore to Kolar Gold Fields, I have the honour to forward herewith the expenditure statement as desired. The items of work were carried out under the immediate personal supervision of either the then Vice President or the Medical Officer of Health, assisted by a Committee of leading influential local gentlemen including some Mining Officers. The expenditure could not be minimised in spite of all efforts and it was not anticipated that it would go up when the Government was requested to sanction only Rs.850. For reasons stated in my previous letter the expenditure was inevitable. I therefore request that sanction of Government to the Board's resolution for the extra expenditure may kindly be obtained.

I have the honour to be,
Sir,
Your most obedient serva
